15056 B Seventh Street
Victorville, CA 92395-3811
(760) 243-2330

Dear Vendor:

It is our pleasure to announce that Victor Valley Gem and Mineral Club will be hosting its 2nd Annual Gem and Mineral Show. Our show theme is "ROCKS OF THE WEST." This event will take place on November 21st and November 22nd, 2015.

We are inviting you to this show as a vendor. Our show will be held at the Victor Valley Museum. The Museum is situated in a prime location in the middle of the Victor Valley. It is located at major crossroads of Bear Valley Road and Apple Valley Road. This intersection services Hesperia, Apple Valley, and Victorville. There is a major shopping center on the corner and a large retirement community just across from it.

All spaces are \$65.00. There is a colonnade running on three sides of the building under the eaves providing shade and a nice walking area that is available for tables only. We will feature a raffle, spin the wheel, silent auction, grab bags, displays, demonstration inside and the first ever ugly rock contest. We will require a copy of your current California Resale Seller's Permit. This may be obtained on line free of cost. You can download the application, contract, flyer and postcard at <http://www.vvgmc.org/gem-show>. If you have any questions or concerns about the show, space size, contract payment, etc. please do not hesitate to contact Ed or Sandy Skidmore at (760) 243-2330 or email them at vp-shows@vvgmc.org.

We promise to do an excellent job of advertising. We want you to do well; so we do well. Please complete and sign two copies of the contracts and return both copies with your fee no later than September, 30, 2015. The contract is available on our web site.

Sincerely,

Ed Skidmore
